

# The QUACKER

JULY, 2010, ISSUE 329 SPONSORED BY THE SUGAR ISLAND LIONESS CLUB

*Happy Independence Day*

## LIONS DEN

This article might be a little short because I did one of those dumb things like putting my right hand someplace where it should not have been and getting it hurt. It's not too serious; however I should be in good shape in a month or so.

Our annual Walleye Tournament started out as a rainy day but later on the weather changed and we had a wonderful day for the event. The Lions Club would like to thank all the participants in the event and especially our sponsors who donated many prizes for the fishermen.

On June 26<sup>TH</sup> the Club cooked-up a lunch for the Firemen who took the final test that day. It was a long haul for these guys and our Club is very proud of them for their sacrifice, I am sure the whole Island feels the same way.

The Sunday Brunch with the Lioness bake sale was well attended. The four Raffle winners this month are; Arbor Andrus, Millie Roy, Jerry Buzaitis and Jean Johns. The 50/50 winner is Dave Reusser. We have three more drawings for the 2010 raffle and the raffle in October will be the first drawing for the 2011 period, so see your favorite Lion to buy a ticket for the coming year.

Lions Club members with a birthday this month are; Ron Bertram and Tom Brunet, happy birthday guys and may you have many, many more.

Leo Rich, Secretary

## LIONESS CLUB

To all the Dads, Hope you had a wonderful Father's Day and a great brunch at the Community Center. A big "Thank You" to Kipper and Kelly Biron for their tribute to all the Island Veterans with a free lunch in their honor. Kelly you are a very good cook and Kipper's not bad on the Grill! Our bake Sale and Bargain Table went very well, so we're going to try it again. Our editor upped the count of The Quacker to 400. That's great! We had our installation dinner for new officers. It was fun! A great time was had by all. Now we are official. We had our pastie bake and sold 276 isn't that fantastic! We had great fun. All of the Lionesses really enjoy the comradeship. We won't be having our road clean up until fall. The road looks good and there will be less bugs and snakes. Gayle Johnson and Phyllis Reusser did a beautiful job of planting flowers at the ferry landing. Your donation of time and plants is greatly appreciated. Thank you so much. Gayle Johnson is also responsible for our pastie bake going so smoothly. Thank you Gayle for all you do. July Birthdays are: Linda Beaumont, Barbara Bertram and Dorothy Mendoskin. Happy Birthday Ladies!

A thought for the day: wholesome laughter has a great face value.

Happy 4<sup>th</sup> of July to everyone! Have a Blast! But a careful one.

Gloria Spicer, Lioness Secretary

## Fire Plugs

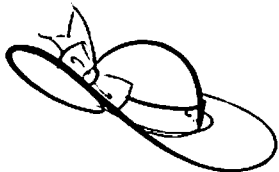

By the time you are reading this article our fire fighting training class will be completed and testing will be complete. Our thanks go out to the people who stopped by to offer encouragement and to the people and organizations that dropped off snacks and provided meals and let's not forget the pies. Even though I complained about how physical the course was I think I did gain weight.

Once the course is completed we will resume our normal schedule of training and surprisingly our fire fighters are looking forward to new challenges. We will have a much better department due to this training. This training was made possible through the hard work of our fire chief Dave Pine who never has a day go by that he isn't dealing with some Fire Department issue and by the taxpayers of Sugar Island who funded this course. Many fire departments have to travel long distances to attend a course and having one close to home is one less obstacle for students who are already changing work schedules and family obligations. We cannot give enough thanks to the citizens of our island.

With the 4<sup>th</sup> of July coming up we are almost all looking forward to fireworks. This year the State of Michigan has relaxed the regulations concerning fireworks so we expect to see more and bigger private displays. With this is added responsibility to be sure that are safely used. Never let children use fireworks unsupervised and set up a safety zone around the area in which you are using fireworks. Make sure you have a pail of water for any fires that may happen and another to dispose of fireworks that may be defective as you never know when they could go off.

But above all have a safe and happy 4<sup>th</sup> of July

Jim Handziak of the Sugar Island Fire Department

On June 13<sup>th</sup> members of The Semi Sweet Soo Red Hats had a lovely dinner at Cozy Corners. A good time was had by all. If interested in joining us please call Frieda Cox at 635-5472 or Jean Willis at 632-8098.

## Sugar Island Ferry

He sold the yellow boat he had so long and kept so well  
After he died I sold the pontoon  
Gave the Mariner to my grandson  
The dock in front of the cottage is too high for the receding  
water, bare, nails pulling out, boards buckling and then  
rotting.  
Drive to town.  
Sugar Island Ferry, an exciting boat ride whenever I want.  
Not on time? Broken down? Wait for the propane truck to  
be delivered; wait for the gas tank to be filled.  
My angry self looked at my watch, shuffling in my seat,  
late for an appointment, calling the ferry captain on my cell  
phone, "Are you ever coming?"  
Thinking how I should start another ferry company—one  
that will never be late.  
Angry at the ferry—angry at life.

I have figured out what is important now.  
The guy who gives you a finger or two, three or four  
fingers—your place on the ferry— punches your ticket and  
then says, "How is your day going?"

Peggy Starr

## Love Poems

Hers

Before I lay me down to sleep  
I pray for a man who's not a creep.  
One who's handsome smart and strong.  
One who loves to listen long.  
One who thinks before he speaks.  
One who'll call, not wait for weeks.  
I pray he's gainfully employed.  
When I spend his cash, won't be annoyed.  
Pulls out my chair and opens my door  
Massages my back and begs to do more.  
Oh! Send me a man who'll make love to my mind.  
Know what to answer to "how big is my behind?"  
I pray that this man will love me to the end.  
And always be my very best friend.

His

I pray for a deaf-mute nymphomaniac,  
With huge boobs, who owns a bar on a golf course  
and loves to send me fishing and hunting.  
This doesn't rhyme and I don't give a crap.

"AN EVENING OF MUSIC" featuring Priscilla Stevens, Ron and Mary Patrick, Pierce Velderman and others. ### SICK CHESS

The Chess Extravaganza in June was fun for those who attended, but turnout was not as good as in other years. Nevertheless, we had no trouble finishing off the candies and other snacks that were there for the players! Also, on the positive side, we have added one new player to our ranks. She is indeed a new player—not only new at SICK Chess on Sugar Island, but also new to the game of chess entirely. A few weeks ago, she knew nothing about the game, not even how the pieces moved. Now she knows how they move, and she moves them well! Keep it up Chelsea! Anyone else who wants to learn the game can do so by showing up at the Hilltop at 7:00 p.m. any Thursday. For those who know how to play and might be interested in playing in a tournament, the U.P. Open is not far away. It will take place again in Marquette on August 21 and 22. If you desire more information, contact Glen Schmiede at 635-5791. More details will also be provided next month. Finally, for aspiring young (or old) chess players, keep in mind that "chess players mate better."

### Lighter Side

For weeks a four-year old lad kept telling his nursery teacher about the baby brother or sister that was expected at his house. One day the mother allowed the boy to feel the movements of the unborn child. The little lad seemed to be a little sad after that and furthermore, he stopped telling his teacher about the baby. One day the teacher sat the boy on her lap and said, "Tommy, what happened to the baby brother or sister you were expecting at home? Tommy burst into tears and confessed, "I think Mommy ate the baby."

♔/♚ KING (K)—moves one square in any direction  
 ♕/♖ QUEEN (Q)—moves any number of squares in any direction (on rows, columns, or diagonals)  
 ♖/♗ ROOK (R)—moves any number of squares sideways, forward, or backward (on rows and columns, not diagonals)  
 ♗/♘ BISHOP (B)—moves any number of squares on diagonals  
 ♞/♟ KNIGHT (N)—moves in an "L" shape (2 squares one way and 1 the other) to a square of the opposite color. Knights are the only pieces that can jump over others.  
 ♙/♜ PAWN—moves straight forward (cannot back up) 1 or 2 squares on the first move and then only 1 at a time. A pawn can capture only on the diagonal squares immediately in front of it. Pawns can become queens when they reach the 8<sup>th</sup> row. Pieces CAPTURE ("X") by running into and displacing others. A king is in CHECK ("+") when it is attacked. CHECKMATE occurs when a player cannot save the king from capture.

**ANSWER:** White could gain a pawn by taking on h7, but the best move is to "skewer" black's king and rook with white's bishop. White does this by moving the bishop to b3 where the bishop attacks the rook through the black king. Since the king is in check (it is attacked by the bishop), black must save the king and can only do so by moving the king. After the king moves, white captures the rook. [1.Bb3+ 2.Kany Bxf7]
