JUNE 2011, ISSUE 340 SPONSORED BY THE SUGAR ISLAND LIONESS CLUB

## *Happy Father's Day!*

### LIONESS CLUB

We had eleven members participate in the road clean up in May. A beautiful Sugar Island Spring day made us glad we were outside. Along with the trash we spotted moose tracks, frogs and a snake. A sack lunch completed our mission. We elected new officers in May. Connie Smithling is our new president and we give our outgoing president, Ruth Molino, a big thank you for all her hard work. A memorial service luncheon for Sylvia Hovey will be held June 18th at 2:00 p.m. We will be having a bake sale June 19th at the Lion's breakfast. The proceeds will go to WMH Behavioral Health Center for an outside secure private area for clients to use. The June birthday girls are Lezlie Leist, Sue Davidson, Phyllis Reusser, Peggy Starr and Gayle Johnson. Our next meeting will be held June 2nd at 7:00 p.m. at the Community Center. For all of the ladies who wonder what we do come join us and find out how much fun we have.

Gayle Johnson  
Secretary

### LIONS DEN

At our last meeting we had a lengthy discussion on the costs of our Sunday brunch, because of the rising food prices, we decided to raise admission price to \$6.00 starting in JULY. I like to think of it as a "FUEL SUR-CHARGE" and everyone on the Island knows about that. We will still have the same menu and of course the excellent service as always. On June 19<sup>th</sup> us Fathers (it should be our day off) will be working to put on a special Brunch for the people of Sugar Island, hope to see you there. The raffle winners for May are; Doug Reusser, Rick Hillier, Mark Andrus and Vern Countant. The 50/50 winner was Jim Handziak. Because of some undefined problems I did not have the raffle winners for April who were; Ruth Molino, Jim Melwing, John Prispelski and Howard Cox. On June 9<sup>th</sup> our Club will have our annual dinner meeting with the Lioness club at which time the new officers will be installed for the coming year. This is always a nice event and am looking for a good turnout. The ADOPT-A-ROAD program is progressing with new member, Jhon Whitside, who will be taking care of a mile of Homestead Rd. by his home. As we add more people to the program I think everyone is a little more aware of how nice our roads look when kept clean.

Leo Rich, Secretary

## Lions Adopt-a-Road Pickup

On Wednesday, May 18, the Sugar Island Lions Club picked up trash along 1 ½ Mile Road, from the ferry dock to Brassier Road. There were 11 participants, which made for easy work. Rain was forecast but did not appear on what turned out to be a pleasant afternoon.

Lions cleanup crew, left to right are Tom Brunet, Jim Langendorf, Bob Johnson, Bud Willis, Harold Mohr, Dave Reusser, Jim Handziak, Leo Rich, Bob Beaumont, Ron Bertram, and Brian Smith. Please note that Smokey, on the far left is not a Lion, but actually is a bear.

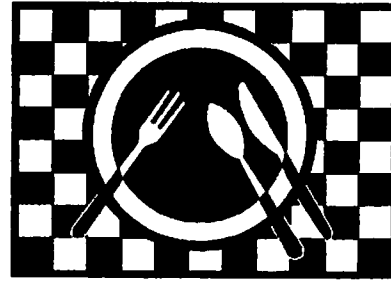

## Lioness Adopt-a-Road Clean-up

## FIRE PLUGS

In spite of the rain we have been having The Sugar Island Fire Department was called out twice since the last Quaker for grass fires. With the large amount of dead grass and brush the wind and sun will quickly dry off at least the top layer of fuel. Fortunately there was no damage done except for some rabbits and mice having to evacuate at least temporarily. Since this type of fire often covers a large area; manpower and equipment are often stretched thin. We are fortunate that we can call on other departments for help if needed and at one of the fires we had detachments from Soo Township Fire Department and the Department of Natural Resources helping us get the flames under control. Our thanks go out to them and to our ambulance crew for their assistance, Rebecca Pine for dinner and our local stores for refreshments. Congratulations to Wendy Bouschor on passing her firefighter 1 and 2 test. Billy Weems will be taking his test later this summer. Both these dedicated individuals have spent the last six months attending class to serve their community. Make sure you thank them. Even prior to completing the course they have been running with the department and have proven to be a great asset.

Finally just a reminder that when you are doing your spring yard work take a minute to be sure your house number sign is clearly visible. They may have been knocked down during the winter or blocked in some manner. When responding to a call its nice if we don't have to look for the flames to locate you house.

## Sugar Island Youth Group News

We held our Children's Easter Party on April 16<sup>th</sup> at the Community Center. The Wind and Rain didn't permit us to have it at the Park this year. Hopefully next year Mother Nature will be kinder. There were around 35 kids who participated in coloring eggs, Easter egg hunt, playing games, and of course, eating candy. A lot of fun was had by all. The egg roll races were fun to watch, a hard task when you have to use your nose to roll the egg. Thanks to all who brought goodies for the luncheon and who helped with the clean-up, and those who took pictures of this fun day.

## Sugar Island Youth Road Clean-up

The Sugar Island Youth Group will be having our annual road clean-up of North Brasser Road on Saturday, June 25<sup>th</sup>. All Youths/Parents wishing to participate, please meet at the Community Center by 11 am so we can break out in groups. We will have plastic gloves and bags available. It shouldn't take us more than 2 hours. We will have a picnic/cook-out at the Sugar Island Park on Northshore following. Please bring your baseball gloves, balls, or bats and maybe we will have enough youths to have a ball game. I hope to see the Youths of Sugar Island come out on this day to show some pride in your community and also have a little fun. Please call Tina Fox 632-1929 or Melissa Morehouse 635-6040 with any questions/suggestions.

We will continue to collect bottles/cans at the monthly Lions Breakfast held at the Sugar Island Community Center. Come out and take advantage of the wonderful breakfast and bring your cans for a worthwhile donation to the youth of your community.

## **SICK CHESS**

The two Sugar Island Chess Klub (SICK) representatives at the 2011 Great Lakes Open in Battle Creek finished in the middle of the pack. Russ did well with a score of 3.5/5. His last game match-up was with me, and he won after a long struggle. It was just our luck to travel 250 miles to end up playing against each other in our final game!

Here on the Island, we are seeing new faces at the boards and have had some really good turnouts lately. On a couple nights last month, we had about eight players each night. Since more of our seasonal residents and summertime visitors are due on the Island soon, we are hoping for even greater turnout this summer. Some of the players who have recently joined us are either just learning the game or have not played in decades. It's great that they are willing to give it a shot and see how enjoyable it can be. If you have summertime guests who are interested, send them our way at 7:00 p.m. on Thursdays at the Hilltop. If they are only here on the weekend, there are always boards and pieces available for use at the bar. Just ask the bartender to get them out for you.

The Fourth Annual Sugar Island Chess Extravaganza will be held on Saturday, June 11. It is an afternoon of chess for anyone interested--from beginner to master. We begin at 2:00 with teaching how to play. At 2:30, there are pick-up games and puzzles. At 3:00, the Find-the-Best-Move Challenge begins, with players getting points for choosing good moves in a game setup from actual master play. At 4:30, there will be a tournament (if enough players are interested). "Silent Partners" and other games follow. For more information, contact Glen at 635-5791. We hope to see you there!

**FIND THE MOVES—What is white's best move? (Theme: Trapping)**

Difficulty Level: Low

♔/♚ KING (K)—moves one square in any direction  
 ♑/♛ QUEEN (Q)—moves any number of squares in any direction (on rows, columns, or diagonals)  
 ♖/♜ ROOK (R)—moves any number of squares sideways, forward, or backward (on rows and columns, not diagonals)  
 ♗/♝ BISHOP (B)—moves any number of squares on diagonals  
 ♞/♟ KNIGHT (N)—moves in an "L" shape (2 squares one way and 1 the other) to a square of the opposite color. Knights are the only pieces that can jump over others.  
 ♙/♟ PAWN—moves straight forward (cannot back up) 1 or 2 squares on the first move and then only 1 at a time. A pawn can capture only on the diagonal squares immediately in front of it. Pawns can become queens when they reach the 8<sup>th</sup> row. Pieces CAPTURE ("X") by running into and displacing others. A king is in CHECK ("+") when it is attacked. CHECKMATE occurs when a player cannot save the king from capture.

**ANSWER:** White's best move is to trap the black bishop by moving the white pawn on the f2 square to the f3 square. The black bishop cannot escape. If it moves to g2, the white bishop captures it. If it stays at h1, then the white king moves over via f2 and g1 to capture it. Black's best option is to give up the bishop for a pawn by capturing the f3-pawn, but white will capture the bishop with the other pawn and go on to win. [1. f3]

**RELAY FOR LIFE  
JULY 22 & 23, 2011**

The American Cancer Society Relay for Life is a life-changing event that gives everyone a chance to celebrate the lives of people who have battled cancer, remember loved ones lost, and fight back against the disease.

At relay, teams camp out at Sault High School and take turns walking around a track in the parking lot. Each team has a representative on the track at all times during the event. Because cancer never sleeps, Relay is an overnight event for 24 hours starting at 1:00 pm on Friday, July 22 and ending on Saturday, July 23 at 1:00 pm.

This year's event theme is "holidays". Each team picks a holiday and decorates their site for that holiday. Teams sell food, tickets for raffles, etc. to earn money for the fund raiser. There are lots of activities during the event. Friday's activities include: a talent show at 3:00 pm, a live auction at 5:30 pm, Survivors walk at 7:30 pm followed by the Caregiver's walk, team walk at 8:00 pm and the Luminary Ceremony at 9:30 pm and many other activities going on around the clock including a silent auction.

Luminaries can be purchased for a love one who is fighting cancer or a love one who has lost his or her battle with cancer. Luminaries cost \$10 and are decorated for the person who is being remembered or honored.

There is still time to get a team together and join us for a very worthy cause. Come out and help us celebrate and raise money. Our goal this year is \$62,000. For information or to purchase a luminary, call Pat Whyte, 635-7262.
