**Subject:** Review of the Draft Sugar Island Twp Zoning Ordinance

Josh,

We have finally completed our draft ordinance. I will be mailing a paper copy to you this week. Please confirm the mailing address for me. I would send it e-mail but we haven't scanned the zoning map yet. A doctored map will be attached. We didn't change the zoning map except to combine the old "intensive" and "extensive" waterfront district. Do you need any additional material such as the existing zoning ordinance? You mentioned in your quote discussing a few issues on the phone. I wouldn't mind taking a call at the office, 8 to 5. I'm in and out but could arrange to be here via e-mail. My office phone is 906-632-6336 ext 26511. Home phone is 906-632-8528. Your completed review should be sent to me via e-mail.

John Odell, Chair  
Sugar Island Twp Planning Commission
